

REQUEST FOR EXPRESSION OF INTEREST - VA 1145

Job Title	Senior International Consultant – Sustainable Finance and Investment	Positions	Two
Location	Remote	Deadline	15 April
Period	12 months (with the possibility of extension)	Start	asap
Level	Individual contributor	Direct reports	N/A
Reporting	Hub Coordinator		

Job purpose	<p>Your primary objective will be to enhance the Hub's skills development initiatives. This multifaceted responsibility encompasses managing knowledge products, fostering knowledge exchange and networking, and crafting practical training modules to empower stakeholders in sustainable finance and investment.</p> <p>Your key responsibilities include contributing to designing and delivering advanced training programs on sustainable finance and investment and ensuring accreditation through collaboration with the CDP Certification Team. To enrich the Hub's resource centre, you will also curate relevant green and sustainable finance frameworks, tools, guidelines, studies, reports, and case studies. This involves identifying trends, fostering stakeholder collaboration, and establishing partnerships to drive impactful change.</p>
Scope of assignment	<ol style="list-style-type: none"> 1) Develop a strategic approach to assess capacity development needs among public and private actors. 2) Cultivate strategic partnerships with public and private sectors to advance sustainable finance capacity development goals. 3) Support partner engagement and capacity-building efforts, fostering synergistic collaborations and empowering key stakeholders to drive change. 4) Design and deliver tailored training programs, staying abreast of evolving trends in sustainable finance and policy to ensure content relevance and effectiveness. 5) Adapt training programs and resources to regional and sectoral contexts, ensuring alignment with stakeholder interests and evolving finance investment trends. 6) Develop and deploy sustainable finance tools and guides to disseminate knowledge and build capacity across diverse stakeholder groups. 7) Organize and facilitate virtual meetings and workshops to foster stakeholder collaboration and knowledge exchange. 8) Any other reasonable tasks necessary for effective delivery on the job task.

<p>Qualifications</p>	<ol style="list-style-type: none"> 1. A master's degree or equivalent in finance, economics, environmental studies, international development, or a related field. Additional certifications in sustainable finance and investment would be advantageous. 2. Demonstrated proficiency in sustainable finance principles, including knowledge of green financing mechanisms, investment strategies, and ESG considerations. 3. Proven track record in designing and delivering capacity development programs, including training modules, workshops, and knowledge exchange initiatives, preferably within an international context. 4. Strong understanding of financial markets, instruments, and risk management practices, with the ability to analyse barriers and opportunities for private sector engagement in climate investment. 5. Ability to develop and execute strategic approaches to address capacity development needs and foster partnerships for sustainable finance initiatives. 6. Excellent communication skills, both written and verbal, with the ability to publish thought leadership materials, engage stakeholders effectively and advocate for sustainable finance policies and practices. 7. Strong networking abilities with the capacity to build and maintain relationships with diverse stakeholders, including public and private sector actors, donors, and implementing partners. 8. Flexibility to adapt training content, tools, and guides to diverse regional and sectoral contexts, staying abreast of emerging trends and adopting innovative approaches to capacity development. 9. Awareness of cultural nuances and sensitivity to working in diverse multicultural environments, with experience collaborating across different regions and countries.
<p>Application process</p>	<p>Interested candidates should submit their expression of interest (cover letter) and CV/resume to the Coordinator, Transformativefin Hub, via email: info@transformativefinhub.org. Use "EOI - VA 1145 Sustainable Finance and Investment" as your subject line.</p> <p>Your cover letter should indicate your operating time zone, desired contract modality, remuneration, and earliest availability. Please note that our Talent Acquisition team uses this information to discuss the best terms with you; it does not affect the evaluation of your application.</p>

About

The Hub is a remote-first private sector-led initiative committed to bridging the gap between sustainable business awareness, expertise, and implementation in developing countries and emerging economies where sustainability is paramount. Our interventions revolve around three workstreams:

1. Maximizing Return on Investment in Open Knowledge Products
2. Providing Action-Oriented Professional Advancement Opportunities
3. Facilitating Continuous Informal Peer Learning and Knowledge Sharing.

We offer

A wide range of resources and colleagues to complement your expertise

Our diverse range of resources and colleagues complement your existing expertise, offering valuable collaboration and skill-enhancement opportunities.

A flexible remote working

Our commitment to flexible remote working ensures you can maintain a healthy work-life balance while delivering exceptional results.

Attractive contract and remuneration

Our policy promotes innovative creativity and enables sourcing the best talent worldwide. We are committed to recognizing and rewarding your contributions with a fair and highly competitive remuneration.
