

Clinical Supervision: Integrated Developmental Model

Presented by Sharon Green, LCSW
and Amanda Rowan, LCSW

Therapist Development Center Provider #1449

Course format: Self-paced recorded audio

Length: 6 hours

Continuing education credits: 6

About the course

This course will help both current and aspiring supervisors in developing and strengthening their supervisory skills. With the proper level of knowledge and competencies, supervisors can assist newer mental health professionals build their skills and preserve a higher level of professionalism in the field. The course will explain the importance of adopting a supervisory model and provide a detailed overview of the Integrated Developmental Model. The Integrated Developmental Model provides a roadmap for supervisors that enhances their understanding of their supervisee's stage of development and assists the supervisor to develop realistic expectations, build compassion and understanding, and allow them to offer interventions that align with their supervisee's developmental needs and abilities.

Instructors

- **Sharon Greene** is a Licensed Clinical Social Worker. Sharon has been adjunct faculty at the University of Southern California and California State University Northridge in the Graduate Social Work Departments for the past 5 years. She is currently the training director at Providence Saint John's Child and Family Development Center which is a nonprofit that provides mental health services to children and their families. She has been providing mental health services to children and their families for over 15 years. She is a certified therapist, supervisor and trainer in Interpersonal Psychotherapy by the Interpersonal Psychotherapy Institute. She has been providing training and supervision in this model for 5 years and has seen its efficacy in treating clients with multiple psychiatric disorders.

- **Amanda Rowan** is an LCSW and the founder and CEO of the Therapist Development Center. Amanda graduated with honors from Dartmouth College where she majored in Neuroscience. She earned her Masters in Social Welfare at UCLA. Since founding the Therapist Development Center in 2008, Amanda has prepared more than 50,000 therapists nationwide to pass their state licensing exams. She is a certified Gestalt Therapist who has worked with a wide variety of clients in a range of settings over the past 20 years. She is a highly effective instructor who has a passion for collaborating with seasoned therapists who understand what works because they do it every day.
